### **1** Acquiring Licenses

1. The license file can be directly generated on your BrukerAlicona Family account. Go to the Alicona Family account on https://alicona.force.com/family and 'LOGIN'. If you are not yet a member of the family request access.

3. Ensure that 'All System Assets' is selected in the drop-down menu bar and click on the affected asset.

All System Assets 🔻 🖈						
7 items •	Sorted by A	sset Name • Filtered by All assets - Asset Record Typ				
	Asset N	lame 🕇				
1	A	μСММ				
2	A.	InfiniteFocus G6				

4. On the new page click on *Next'* within the field *'Generate My Licenses'* on the right side.

5. Follow the wizard. At the end the licenses must be downloaded.

6. You will find the software download links under 'My Software'.

My Software							
50+ items							
Software 1	~	Download Link					
ServiceSoftware.		Download Software					
MetMaX		Download Software					
LaboratoryMeasurementModule		Download Software					

If you do not know your dongle number/ asset number have a look under *Settings -> Licences* in MetMaX.

Module	Registration Code Status
